

## MTS Races

The Marathon Training Series is a set of three races designed to help you train for your marathon or half marathon. Our out and back courses are the ideal venue for a supported training run or tune-up race!

The series consists of three races of 10 or 20 miles. If you want to run a distance between 10 and 20 miles, register for the 10 and go back out to finish your run at no additional charge.

## Course Description

The August race starts at Twin Lakes Park just west of 70<sup>th</sup> & Broadway in Denver. The course follows Clear Creek to the east, then the South Platte trail to the north. You will run out 5 miles, then turn around and return to the start.

Both September races begin at Platte River Trailhead Park in Thornton at E 88<sup>th</sup> Ave and Colorado and follow the Platte River bike path.

Both courses are on a concrete bike path to simulate the typical marathon course. Each mile is marked, and you'll find aid stations equipped with water and energy drink every 2 – 3 miles. We will also have food and drink at the finish.
